From,

To,

The Comptroller of Mysore.

Sir,

With reference to your No.2285/ P & A 245 of the 23rd October last,I have the honor to forward herewith the applicatio for invalid pension on behalf of G.R.Subba Rao,late Head clerk of the Executive Engineer's Office Chitaldrug Division with the marginally noted papers and to request that you will be so good as to submit the same with your report for the early orders of Government.

2. It will be seen from the pension application that the man's superior pensionable service is reckoned at 24 years 3 months and 8 days,as the nonqualifying period with breaks amounts to 2 years 10 months 8 days;which will not ~~be~~ entitle him to the benefit of full pension.But Subba Rao should be allowed to count as service a period of one year out of the furlough and other leave with allowances he has had during his service under Article 261A of the Mysore Service Regulations,in which case the superior qualifying service rendered by the man will be 25 years 3 months and 8 days.
